Advantage Services: Helping Residents Achieve Goals

Advantage Services—life-enhancing services that provide support and opportunities for CommonBond residents—are a critical component of CommonBond’s integrated Housing and Services model. Our goal is to support residents of all ages—including **families, children, veterans, and older adults**—for long-term stability and independence. We provide direct wraparound services and connections to local resources that are vital to supporting residents. Advantage Services are heavily supported by individual donations and corporate and foundation funding every year.

Our Advantage Services are tied to four strategic priorities:

STABILITY & INDEPENDENCE

CommonBond is dedicated to the stability and independence of all residents. We work diligently to ensure residents can remain in their homes. The stability of a home allows people to best provide for themselves, their families, and give back to the community.

HEALTH & WELLNESS

Health & Wellness programs are provided at our housing communities to support residents’ capacity to thrive and remain independent, and to help maintain and enhance physical, mental, and social stability.

EDUCATION & ADVANCEMENT

CommonBond values education and provides a supportive environment in which residents of all ages can define and achieve their own success.

COMMUNITY BUILDING & ENGAGEMENT

We foster stable and vibrant communities through community building and engagement opportunities for residents. These focus on leadership development, supporting resident-led groups and activities, and encouraging resident involvement within the greater community.
